Correction to: Egypt J Biol Pest Control

<https://doi.org/10.1186/s41938-019-0114-z>

Following publication of the original article (Abd ElAzim et al., 2019), the authors flagged that the titles of Table 1 and Table 2 were the wrong way around.

Please note that correct titles are as:

Title of Table 1: Names of seven steinernematid species and their geographical origin

Title of Table 2: Names and sequences of RAPD primers used to assess the genetic variability among the seven steinernematid species

The original article has been updated to correct the titles.

The authors apologize for the error.
